The Yearbook staff asked captain, George Fields questions concerning the 1989-90 football season.

What was the best game of the season for you? George replied, "River Forest, we pulled together and fought our arch rivals with all the team spirit possible."

What was the hardest part of being on the team? "Definately summer camp. Getting up in the morning and working hard from 8:30 a.m. until 5:00p.m., George said in disqust.

Any last thought to leave to anyone? Yes, I would like to thank all of my coaches I've had throughout the years. They're as dedicated as much as the players. It's just up to us to do it for ourselves.

The varsity girls volleyball team had their tourth winning season in a row with a record of 16 wins and 13 losses. The team placed 3rd in the conference with a record of 3 wins and 2 losses to Rensselear and Kankakee Valley. Season highlights were defeating Munster in the Chesterton tournament and also defeating Merrillville for the first time in 7 years early in the season. In the first round of sectionals the Eagle netters came up short by losing to Merrillville, however, 2 games to 1. The team will be losing two experienced All-Conference seniors Gretchen Brett and Jennifer Mora.

With the remaining players from this years teams along with the upcoming freshmen the volleyball program should see continued success in the future.

This year the Cross Country team strived for victory. These dedicated members got up every day early in the morning for their practices. Their work seemed to pay off; considering their wins to losses. Even though we had a small team compared to the others, we managed to come out on top, to win most of the meets.

To the left: Tom Alicea is keeping his pace. Middle: Mike Bardsley leading the pack with, Oliver Mivlez not far behind.

This years girls track time had a very good season. Many school records were broken and a lot of personal best were set. The girl's performances were very suprising due to the weather conditions. All in all we were very pleased with the team, and consider this season one of the best.

Chris Low was in track all four years of high school, and our only senior this season. She broke school records and she won the record for having the highest points. She will be missed!

This year's Track team was 3-9, there first losing season in four years. Junior Lopez, Derrick Messer and Tom Alicea were leading point getters.

The Track team placed 5th in conference with the 400 relay team wimning conference champs. Some of the changes next year will have to be more participants in field events specifically shot put and discus.

The team this year was young with a lot of freshmen and sophomores who have potential. Also we have sprinters who need to get a little more speed. The team did farely well. They qualified five runners for sectionals; Junior Lopez advanced to regionals.

Next year should be better since the team was young. Derrick Messer, Junior Lopez, Tom Alicea and the 400 meter relay team were some of the better athletes.

The Junior Varsity Boys Basketball Team played good defense throughout the season, noted coach Johnson. The team hustled which forced many of their opponets to turn the ball over numerous times each game. What the team lacked in talent they certainly made up for in hustle.

Their offensive play was not as successful as their defense. The players attempted several shots, however the percentage of their shots made were not high.

Each member of the team made huge strides in improving their skill. They finished their season with a 2-18 record.

The freshman basketball team had an unfortunate season with only winning one game. There final record ended up being 1-14, beating Hanover Central 45-25. Next year the team will hopefully be better. The veerbook staff interviewed

Coach Campbell and he said the following: What did you get out of being a Coach?

I got to know the students better and working with them and watching their improvements made me feel like I accomplished something.

How was your season?

Coach Campbell responded that the season went well and they played teams that were comparable in size to Edison. Improvements were made throughout the season.

What was the best game of your season? Calumer, we lead throughout the game and lost at the last second due to a 3 point shot. The players played very well, but time just ran out. Do you think next year you will have more

improvements?
'Coach Campbell said yes.
What will you miss most of all about this

year's freshman team?

Most of all will be Brian Constanders
3 point shots. Jay Stetler who came out
and showed lots of improvements, also

Cary Gunning who was real good at rebounding.

Thank you Coach Campbell and good

The Eagles, under 17 year Coach Gayle Green, returned only 2 lettermen. These were Seniors Gretchen Brett and Chris Low. This lack of experience enabled two freshmen Tonya Hite and Tabitha Beaumont to make the varsity team. They both received playing time on the varsity team which will help towards next year's varsity team. Despite their inexperience, the Eagle Hoopsters battled to a 3-15 mark on the season. In conference action, they posted a 1-4 mark. The one conference victory came over River Forest.

This season the leading rebounder was Gretchen Brett, and the leading scorer was Jeanine Podenski. The team had a good year despite their record.

JUNIOR VARISTY WRESTLING TEAM

Front: John Tsahas, Gary Gibson, Robert Yanez, Paul Brewer; Back: Coach Stanford, Jeff Syantner, Mike Gibson, Jeff Blatz, Eric Nordahl, Alan Vale

The wrestling team had another outstanding season this year. They were undefeated until the conference match where they lost to Kankakee Valley for the second year in a row, swindled twice! With a record of 66 wins and 3 losses in the last five years, as well as going undefeated for three and a half years there is little room for improvement.

The wrestling team had seven conference champions, four sectional champions, ten regional qualifiers, one semistate qualifier, and one semistate champion. This year for the first time the team had two state qualifiers, one finishing in the top eight the other placing third. The two state qualifiers were Stacev Sullivan and Dan Owzman.

When asked some questions about his wrestling season this year Stacey replied: that his season couldn't have been better, and that-his favorite part of the season was the tournaments and qualifying for state. He also looks forward to next year so he can "20 all the way to be champ."

When asked about coach Dorulla, Stacey replied, 'he was a really good coach and very supportive. Mr. Dorulla helped me a lot and made sure I never slacked off.'

Mr. Dorulla was asked to respond about Sullivan and he replied, "Fantastic, great to see." When asked his reaction to having two people qualify for state he also stated that he didn't feel there needed to be any changes on the team and that they did the best they could. Lastly he'd like to mention some outstanding wrestlers on the team: Stacey Sullivan 37 wins, 2 losses; Dan Guzman 36 wins, 6 losses; Dan Mora 20 wins; Don Owen 20 wins; and Tom Alicea, team captain and only senior, 20 wins.

The wrestling team did fantastically this year and definately deserves more recognition than this story can give. Good luck next year! Keep improving.

The Baseball team had a disappointing year with a 5-16 record for the regular season and a 2-8 conference record which tied them for 4th place.

One of the bad points was inexperienced pitching. Their ERA was 6.25, which is high for baseball. The batting average was .270 with 6 homeruns.

The team was young with 9 underclassmen. Four sophomores lettered this year. Next year is suppose to be more promising to Coach Glover.

Individual players who stood out were Raul Santos; All Conference Team with a .368 batting average. Chris Young; who also was All Conference, had a .322 average, Frank Sanchez who received Honorable Mention for his .321 batting average.

Most Valuable Player was Raul Santos while Mental Attitude was given to Dennis Murray. Chris Young received the Defensive Award.

This year's tennis team did well with 9 wins and 6 losses. Coach Hayes was asked some questions about his team and he replied, "Star players for this vear were: Selena Pustik, Jennifer Mora and Gretchen Brett." Award winners were: Most Valuable Player was given to two girls; Selena Pustik and Jennifer Mora. The Most Improved Award wat to Gretchen Brett, and Mental Attitude Award was given to Silvia Ochoa.

What will Coach Hayes miss about this year's seniors? He will miss their leadership and intensity in close matches. Also, Gretchen Brett's excellent leadership at #1 doubles.

Next year should be more of an improvement because they have a strong group of Freshmen and Sophomores and four starters returning from this year's team. The special points of this year's team were major improvement from beginning to the end of season. Next year's potential stars should be: Selena Pustik. Silvia Ochoa, Tabitha Beaumont, Rachael Schammert, Juanita Sheely, Allie Hart, Mandy Dillard and Tonja Hite.

The High School Band is directed by Miss Girgenti and Mr. Mann. This team of directors has been working together for eight years and has proved to do a great job considering the bands performances.

This band of 82 members has attended state wide contests for many years and has received a first place rating several times. At contest they must play three concert pieces and one sight reading piece.

The band directors and members spend a lot of time preparing for their performances so each performance will be better than the one before. Some of the performances include: homecoming parade, football games, basketball games, Christmas, March, and May concerts, State Contest, 4th of July parade, Commencement, the opening of the new gym at Hamilton Elementary School, and the Loyalty Day Parade.

They also go on tour playing for the elementary schools, the Cammelite Home for girls in East Chicago, and the Lake Park Residents.

Without the directors work the band would not be able to acheive such goals.

Mr. Kincaid has once again showed his Seniors that hard work pays off. He has done a good job in supporting the Seniors throughout the year. Keep up the good work.

Distributive Education Clubs Of America

DBCA had another exciting year. They started with a social event at Lemmon Lake. The fun didn't stop there.

Next DECA moved on to McCutcheon High School. There they prepared for districts. At districts, DECA went to Valparaiso High School to compete against high schools. They took tests and did role plays. Their hard work paid off when eleven DECA members went to State to compete against other schools. They spent a weekend at the Hyatt Hotel in Indianapolis. It was a lot of hard work, but DECA members never gave up.

After winning State Competition, Connie Edwards, Cindy Gutierrez, and Aaron Tibbs moved on to nationals. They spent a week in San Jose, California competing with other schools across the nation. Although they were unable to win, they met new friends, and had the experience of competition.

Besides competing, the DECA also had a Bowl-A-Thon. They took a Sunday out of their busy schedules to bowl at Cressmoor Lanes to help raise money for Muscular Dystrophy.

DECA'S fundraisers consisted of selling flowers and Entertainment 1990 books. This helped pay for State Competition in Indianapolis.

The year came to an end with the annual breakfast at Paragon. This honored all the businesses who helped support our on-the-job program. Like all other events, it was a big success.

Mr. Kincaid hopes next year will be as successful as this year.

The Eagle Feathers Staff has been busy all year writing articles for the paper. This Staff has informed us on many important and interesting subjects. They have worked hard on trying to get the paper out by their deadline. Eventhough they had a small staff they were able to write four newspapers this year. In order to make the newspaper the staff had to learn how to sell advertisements, and sell the newspapers, interview people for their articles, edit, and type their stories. They also learned how to crop pictures and make a layout. Tina Varga as editor had to proof read the paper before sending it in to be printed. As editor she has a lot of responsibility and work to do. Due to the Eagle Feathers Staff's hard work we were able to enjoy their articles.

Most people believe that putting a yearbook together is an easy job. Well, it isn't. This year there were only two veteran yearbookers back to help our new advisor Mrs. Georgion teach the new staff members how to work on layouts and write stories. The Edisonian was also approximately 3,500 dollars in debt due to difficulties from the previous year.

If it wasn't for the determination of Mrs. Georgion and the willingness of this years staff members plus lots of help from Mr. Zurcher there wouldn't have been a yearbook this year. We had fund raiser after fund raiser. We had a sock-hop, we sold candy, we sold pictures, we sold the kitchen sink, well, almost the kitchen sink.

Then, the hard part came knocking on the door. The work started piling up and everyone was working under stressful situations. 'Where's my story?", or "I need this picture!", or "How does this sound?", were commonly heard phrases in the pubLeft: Shawn Hoekstra glues pictures to layouts. Below: Marsha Dillin and Amie Coubal write copy for yearbook layouts.

lications room. Mrs. Georgion "I've got good news and bad news." Was always welcome and dreaded at the same time. Although it was hard we stuck to it and even after everyone else was out for the summer we returned to complete the unfinished work for our readers.

A lot of time, effort and love went into this year's yearbook and we're very proud of it. I want to express my gratitude to Mrs. Georgion, Mr. Zurcher, book. I would also like to wish Jenny Saffrahn, next year's editor good luck!

In closing I hope that everyone who reads this book likes what they see. I wrote this letter so people would know a little of the problems that the staff had to face.

Sunshine Society

This year's Sunshine Society has a new sponsor, Mrs. Plummer. She has done a great job this year.

Every year the Sunshine Society sponsors the Turn-About (Valentine's) Dance, and has a queen's court consisting of members nominated from the Sunshine Society. The members of the organization will then vote for a queen. This year's canidates were: Jodi Koonce, Mary O'Connell, Tami Hisick, Gayle Traeger, Jane Torres, and Lisa Bodo, Lisa Bodo was crowned queen.

Other types of activities were: making stockings for Lake Park Manor Nursing Home, State Convention at Triton High School, and making costumes for the musical, Dames at Sea.

The Sunshine Society found the Valentine's Dance interesting. Next year they plan an activity with the children and also a sockhop.

Sunshine Society sticks together at the State Conference at Triton High.

Student Council

This years Student Council has been busy with many different activities. Some of those activities include the Food Drive that is held every year around Christmas time and then they distribute the food to the needy families in Lake Station. These families would get plenty of canned and boxed food, a turkey, a gallon of milk, loaves of bread, and butter. They try their best to get as much food for these families as possible so they could have a Merry Christmas.

Another activity the Student Council sponsors is the Homecoming Dance, the Parade, Almost Anything Goes, and Spirit Week. They try to find something different and more fun for these activities each year.

In honor of Earth Day they planted three white birch trees on the northeast corner of the school. They planted the trees on Friday, April 20, 1990.

Twenty-one of our Student Council members attended the District Workshop at Hobart High School on October 7, 1989. The members listened to key note speakers and

attended workshops to improve their leadership skills.

Next on November 11th and 12th they attended the State Convention at Portage High School; the theme was O MUD, (Go Out and Make a Difference). The Conference began at 9:00 a.m. on Saturday and ended at 12:00 p.m. on Sunday. The marbers went to workshops, listened to speakers and did fun activities at the end of the day.

On April 14, 1990 fifteen members of our Student Council attended the ISAC representative assembly at Carmel High School in Indianapolis. We were awarded Honor Council for the second year in a row.

Our Student Council and sponsors deserves some recognition for his efforts throughout the year.

Edison High School's Acedemic Team sponsored by Mrs. Randazzo, consists of twenty competitors. The team has gone to many competitions. One of those competitions was held at Valparasio University. It was sponsored by Purdue Calumet and Valparasio Universities held on March 6, 1990. The Acedemic Team competes in six different categories: Biology, Chemistry, Computers, English, Mathematics and Physics. In each category the highest points possible is 40. In the competition at Valpariso University, they scored: 24 in Biology, 10 in Chemistry, 15 in Computers, 28 in English, 14 in Mathematics and 12 in Physics. The Academic Team helps benefit the students advanced learning skills.

CONGRATULATIONS

DAMES AT SEA

Dames at Sea is a loving tribute to the movie musicals of the 1930's like 42nd Street and The Broadway Melody. It is set in the early 30's in the heart of the great depression, when all of America went to the movies to try and forget their troubles for an hour or two. They went to see stars like Ruby Keeler and Dick Powell, Greta Garbo. Eleanore Powell and the Little Rascals (Spanky, Alfalfa, and the gang), and to have everything end happily, unlike their own lives.

Organizations like the Works Progress Association (WPA), the government agency to promote the arts, are referred to in Dames at Sea, as well as many of the celebrities of the times. Each of the songs in our show are similar to famous songs of the 30's (Choo-Choo Honeymoon is reminiscent of Shuffle Off to Buffalo) and there's even a Fred & Ginger dance number.

This years Valentines dance was a great success. Students from all classes 9-12, got all dressed up, grabbed a date, and showed up for a little fun and dance.

This years D.J. was Randy Moss, who did a great job as usual.

The 1990 lock-in was a great night of games, movies and just a night to sit around and joke. So much to do and only one night to do it in, choosing between a movie, or a volleyball game, was just one of the dissions that had to be made that night. The limbo was a great source of fun as everyone lined up to see how low you can go.

Everyone had a great time, hope to have more lock-ins in the future.

take time for a dance and being close.

This year the prom had some great points and then there was one small difficulty. The night started off with pictures and a grand march which both went really well and was right on schedule. After the grand march the couples had to meet at Didkas between 6:00 and 6:45 pm. Dirmer was served at 6:45. The food was great and everything was going well, binfortunately when it came time to dance, there was no music, due to some technical difficulties. The DJ. was never able to set up, but eventually bidkas was able to pipe music from upstairs. Dispite this one flaw the night went well and couples still managed to enjoy them selves.

Shannon Clark, and date Shawn Menear join other couples on the dance floor.

Top 5 Things To Do When You're A Senior

Senior year is something we all look forward to. By the time your senior year comes you're burned out of school. You want your last year of high school to be exciting. But what is there to do? Below are five ideas that will help your senior year make all those years of school worthwile.

- 1. Mispronounce long words when reading literature stories aloud.
- 2. Initiate at least
- Take study halls and other blow off classes. Never hand in homework.
- 4. Make up a bizarre false middle name and have it printed on your graduation announcements.
- Create a new "hair style" trademark for your graduating class.

Above Right: DECA juniors take it easy while discussing their senior plans.

What Was Your Most Embarrassing Moment?

Jeanine Podenski— My most embarrassing moment was when I tripped on a microphone cord while going on stage to get an award. I ripped a hole in my nylon.

Steve Handley- Tripping in the hallway after getting depantsed in my freshmen year.

Lorraine Culp- Falling on my butt walking through the alley.

Shannon Gales- Getting off the bus and falling in a mud puddle was my most embarrassing moment.

 $\underline{\text{Steve Mathews-}}$ My most embarrassing moment was when I slipped in the boys locker room showers.

Missy Fields- I walked out of the locker room with my shorts on backwards. I was so embarrassed

Brian Coubal- Cetting my sweats pulled down during my freshmen year was very embarrassing.

 $\underline{\text{Joe}}$ Burns- My most embarrassing moment was when $\underline{\text{I}}$ was running around my house screaming with no clothes on.

Misty Soria- Getting my pants pulled down during lunch hour was my most embarrassing moment.

Dressed to Kill, Jim gives Barry an embarrassing dip.

I look in his eyes and see a dark blue, I start to cry when he says, "I love you."

He tells me everything will be just fine, and when he smiles it's like sunshine.

When the weather is bad and it starts to rain, all he does is laugh and it takes away the pain.

We've had a lot of good times and made it through the bad, because as long as I'm with him I'll never be sad.

Freshmen Frogs

The tradition of the freshmen "frog" still lives on. This year's frog's walk through the halls lost, confused, and of course, scared! Everything to them is different. They have bigger classes and harder teachers. For the freshmen this is a big step and a higher one to graduation. Now taking another step. let's see what's on the freshmen's mind's.

Question: What do you like best about high school?

Brian Constandars - There is more happening in high school than in junior high. Mike Gibson - Having more priv. Jedgas is the best tiding about high school. Bermice Vasios - High school s a lot easier than junior nigh.

Livko Despotoski - We get more freedom in high school than in junior high.

Question: What is the worst thing about being a freshman?

Brian — Being a called a freshman frog, Mike — Getting picked on by the upperclssamen. Ziwko — Being the lowest of the classes. Bernice — The long wait for radustion.

Question: What are you looking forward toin the opcoming years?

Brian - Coing to college and playing on a college basketbail team. dike - Picking on the freshman like we were picked on. Givko - Being a senior and coing wild and crazy things. ermice - I'm looking forward by graduation.

Top Right: Barry Rushing gets away from it all.

Dreams

Dreams, Dreams, what are present some mystical, some dreamy. Some dreams are of good meaning, And some of which are weary.

There are at least two kinds of dreams— The good ones and the bad. The good dreams bring one happiness, But the bad dreams make one sad.

The good dreams go to the most deserving, They that are good at heart. The bad dreams go to the undeserving, The ones that tear good dreams apart.

ureams are intriguing ideas,
Kept deep inside the mind.
Sometimes they lead you forward,
But sometimes they leave you behind.

Dreams are confusing, to be considered bad or good. But all dreams are important, Their meanings — to be understood.

I wonder what Stacey is dreaming about.

What 18 A Friend?

A friend is a friend forever,
For always she'll remain.
Friends will be there for you.
Through all your trouble and pain.

Sometimes you'll make mistakes
But, that's what lifes about,
And if, there's a friend in need,
She'll help you without a doubt.

If you ask for a little help
A friend is there to give you more.
She'll always be there to listen,
Cuz thats what friends are for.

She'll always try to make you happy But, may not always succeed, Just remember that she'll be there If it's a friend that you really need.

20 Years of Dedication adds up to Retirement

Mrs. Morris, came to Edison in the fall of 1970 with the intention of teaching for 20 years. Now in the summer of 1990 she is retiring after 20 years of teaching for Lake Station Community Schools. When in college her goal was to teach eleventh and/or twelth grade English. She came to our school system because she was offered the position of eleventh grade English teacher. Over the years she has taught sophomores, juniors, and seniors and has covered all phases of English language arts, including: grammar and almost every conceivable style, type and period of literature.

Eulene Morris has sponsored and belonged to various organizations: Sunshine Society, National Honor Society, National Council of Teachers of English, and Indiana Council of Teachers of English, to name just a few. She is also a member of the staff of Indiana State University where she has taught in its College Challenge Program, where by high school seniors earn college credits along with high school credits.

Mrs. Morris' most memorable moment came when Elizabeth Rizos won a scholarship to I.U.N. by writing a composition. Other cherished moments for her were being named Female Teacher of the Year by the class

of 1980 and being voted Outstanding Teacher of the Year by her peers in 1989. Like most teachers, she has a multitude of memorable moments on a smaller scale.

When asked if she'd miss teaching Mrs.
Morris replied, "I will miss teaching, which
has been a very rewarding career.

You will be missed by everyone here at Edison, we love you Mrs. Morris!

Oliver ends All-America stay

Oliver Mindelaz, 17 years old, from Switzerland
was Edison's exchange student for the 1989-90 school
year.
Oliver time cross-country here in the States, but

Oliver runs cross-country here in the States, but back home he enjoys skiing, and surfing in France.

When asked what the big difference was in our school versus Switzerland, Oliver commented that in Switzerland you could go home for lunch. They have no choice in what classes they take and they have a different schedule everyday of the week. (They also have no Bomecoming).

The Swiss basically listen to the same music as the do, and the fashions are about the same. Oliver's favorite groups are Bon Jovi, Petralica, and Motley Crue. He has seen Bon Jovi and Iron Maiden in concert. His favorite song is, "Lay Your Namds on Me" by Bon Jovi.

Oliver stayed with the Qumalowski's for a few months and then stayed with the Parker's for the remainder of his stay here in the States. In his spare time, Oliver, likes to go to the movies. His favorite movie is Indiama Jones Part One. Oliver says his hardest class was Hr. Long's

Oliver says his hardest class was Mr. Long's English, and his favorite class was Mr. Stanford's World Geography.

Oliver, we, here at Edison, hope you enjoyed your experience in Lake Station, at Edison, and we wish you lots of luck.
